SCHEDULE of TRAINING

Dear CA CPO, Juvenile Division Head or Judicial Stakeholder,

On behalf of the Corrections Standards Authority, the Administrative Office of the Courts, Assessments.com, and Dr. Ed Latessa from the University of Cincinnati, I would like to invite you to attend a regional training sponsored by the Best Practices Approach Initiative. The one-day trainings (STC and MCLE certified) will offer a variety of EBP topics ranging from introductory to advanced, all designed to help you and your colleagues move best-practices forward in your jurisdiction.

Registration is free, and easy to complete. To register, please click this [link](#). For trainings held on March 29th, 30th, or April 1st, the REGISTRATION DEADLINE is March 22nd; for training held on June 28th, 29th or 30th, the REGISTRATION DEADLINE is June 1st. Attendance is first come, first served and is limited to 150 participants per training venue.

Our hope is that each county will organize a team of approximately 8-17 members to attend these trainings. Although the BPAI project's focus is on juvenile justice, if you have capacity, you may want to include folks working in adult.

At the end of the training day, team members from each jurisdiction will assemble to create an action plan checklist and discuss next steps for county stakeholder collaboration. For more information on the BPAI, view this [link](#).

Look forward to seeing you,

Sean Hosman, BPAI Project Leader
